

THE SUICIDAL STAR SUMMONS HIS DRUG CONNECTION AS WIFE KHLOÉ KARDASHIAN FACES BACKLASH FOR HOSPITAL INTERVIEW.

S Lamar Odom clung tenuously to life on Oct. 26, his craving for crack cocaine and his tragic death wish continued unabated. That evening, a source says, a bedridden Lamar still managed to call his connection, and when his "friend" reportedly arrived at L.A.'s Cedars-Sinai Medical Center at around 11 p.m., he knew exactly where to find his client in the ICU. Security denied the dealer access, but Lamar's desperate attempt to procure drugs is but one facet of the sad, ongoing saga that began on Oct. 13, when he was found unconscious at Las Vegas brothel the Love Ranch.

And while a new report claims his health has improved, "Lamar is in a very

bad state," an insider told *Star* as the ex-NBAer's 36th-birthday approached.

NO-WIN SITUATION

The aborted drug buy comes at a time when Lamar's estranged wife, **Khloé Kardashian**, is under fire for courting media attention from his hospital room.

Khloé, 32, gave an interview from Lamar's bedside, discussing his condition and quelling rumors that she intends to go back with him if and when he recovers. She immediately came under attack for speaking publicly on the matter — but Khloé hit back on social media, posting to Twitter: "Shame on you all for thinking the worst of me. I don't need your f**ked up energy!" Khloé insisted she was

contractually obligated to speak to the press, since it had been set up months earlier to promote her new self-help tome, *Strong Looks Better Naked*. She also pointed out that she canceled her book tour in order to look after Lamar.

or capitalizing on Lamar's condition, she slammed

back: "Know the facts before you throw stones!"

Yet Khloé's concern for him has been called into question. She abandoned her vigil for three days, during which time she attended sister **Kim Kardashian**'s baby shower. And Joe Odom, Lamar's father, blames her for removing him from the visitors list when he attempted to see his son on Oct. 28. "Khloé's put her life on hold for the man who broke her heart," says the insider, "and now she's seen as the bad guy." *

DON'T LET THE DUET FOOL YOU — THE DUELING DIVAS AREN'T EXACTLY MAKING BEAUTIFUL MUSIC TOGETHER.

O much for squad goals.
Country fans were ecstatic
when Miranda Lambert
strutted out on stage during
Taylor Swift's 1989 tour stop in
Greensboro, N.C., on Oct. 21. Their
reps deny it, but those close to the
superstar singers say that despite their
duet, they're actually embroiled in a
long-standing feud!

"The girls were anything but friendly that night," says a source. "Miranda was miffed that Taylor flubbed several lines of 'Little Red Wagon' and also annoyed that Taylor made her wear a 1989 shirt."

The tension dates back two years,

says another insider, when the women got into a screaming match in downtown Nashville: "I think it had something to do with a collaboration that fell through," explains the source. "Ever since then, they've been at odds. Miranda thinks Taylor is fake and tacky, while Taylor says Miranda is a bully and hates how she treats people, including her pal **Blake Shelton**. Everyone in Nashville knows these two can't stand each other."

So why the collaboration? Damage control. "Since Miranda's divorce, her reputation is in the gutter," explains the insider. As *Star* first reported,

Miranda cheated on Blake with no less than five different men, some of them married. "The cheating, the lying, the drinking — that's not what country fans like to see. So her management team begged Taylor for a duet to help boost Miranda's image."

But bad girl Miranda just couldn't swallow her pride and make nice with the biggest pop star in the world. "It irks her that Taylor is still friends with Blake and has been a support system for him since the divorce," says the Greensboro insider. "The two barely spoke to each other, and Miranda left immediately after the song."

with Rihanna in 2005.

Now, as a new tell-all, Becoming Beyoncé, hits stands, the producer is coming clean about his sleazy stunt. "I apologized to [Rihanna].... This whole thing is very awkward," says Johnathan Hay, who admits that his PR trick was borne out of desperation. "It was reckless, and I didn't think it was going to work. I was just throwing spaghetti at the wall to see what would stick."

SANDRA'S CREATED MONSTER

Bryan Randall is living a Cinderella story since his romance with Sandra Bullock turned him into an overnight celebrity, but he's no Prince Charming. "Bryan used to be a really nice guy, but hanging with the A-list has gone to his head. He's a jerk now," a source says of the 49-year-old struggling photographer and part-time model. "He gets his hair done at an expensive Beverly Hills salon — on her dime, of course — and only wants to hang with Sandra's pals, like Jen Aniston and Justin Theroux.

But, says the source, Bryan's spiffy new hair and custom suits aren't the only things that have changed: "He thinks he's better than everyone now. Sandra ruined my friend." *

GET THE MOST OUT OF YOUR WORKOUT BY WARMING UP WITH YOGA.

Yoga incorporates physical postures and breathing techniques to promote a sense of peace, strength and personal power. But with all the variation in yoga classes and philosophies, it can feel overwhelming to know where to start. Fortunately, all it takes is a few minutes of simple yoga to start seeing major benefits.

This five-minute session focuses on twists and strengthening postures, with the twists providing the added benefit of improving digestion and detoxification.

Nothing in yoga is supposed to be perfect, so don't worry how deep you go. The process is where the benefits are revealed. If, after five minutes, you feel like you could keep going, repeat the sequence. This is meant to be simple, fun and freeing!

How It Works: Breathe in deeply for five counts and exhale for five counts throughout each posture. Hold each pose for 30 seconds on each side, or about 10 deep breaths.

Equipment Required: Yoga mat or towel

Step 1 Come onto hands and knees. Curl toes under, shift hips up and back to form an upside-down V with your body.

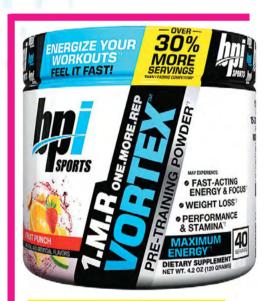

Step 2 Press through the hands and lengthen the spine. Draw heels toward the floor (they do not have to touch) and relax the shoulders.

SEATED TWIST

Step 1 Come into a seated position with legs extended to straight. Cross right foot over left thigh with the knee facing up. Sit tall and lift left arm up. Maintain that length in the spine.

Step 2 Twist to the right and hook elbow on top of thigh. Go deeper into the twist with every exhalation.

HILE **Anna Faris** insists she has an "incredible relationship" with husband Chris Pratt. the in-demand actor sent a much different message on Oct. 18 when running errands without his wedding ring on in Atlanta. "Chris doesn't just take his ring off to film anymore," a source tells Star. "He's pretty much ditched it altogether."

As Star previously reported, when it was announced that Hollywood's two hottest stars — Chris, 36, and **Jennifer Lawrence**, 25 — were teaming up for the romantic sci-fi drama Passengers, Anna feared her husband would be unfaithful. (Chris' rep denies Star's story.) "The chemistry these two have is what landed Chris the part in the first place," says the insider. "He and Jen grew up in small towns and connect in a way that most bornand-raised Hollywood stars cannot." Although no one has seen them take their friendship too far, sources say Anna, 38, has been a nervous wreck since filming began in Atlanta in early September. And after the on-screen love interests took a break from shooting to sneak off and spend the Oct. 4 weekend under the same roof — hanging out and directing funny short films — with comedians Amy Schumer and Aziz Ansari, Anna decided to drop by for a "surprise" visit a couple of weeks later. "It was

Ever since the Jurassic World star's leading-man makeover, the couple who tied the knot in 2009 and welcomed son Jack in 2012 — has faced rumors of marital turmoil. "They've always bonded over being silly," says the source, "but now he's goofing off with Jen, and it's driving Anna crazy." As one pal put it: "Chris has removed his wedding band and spends time off set with one of the most beautiful movie stars in Hollywood. I'd definitely be concerned if I was Anna." *

Emma & Andrew

IT'S OVER.

ONTHS after Star revealed that Andrew Garfield cheated on Emma Stone — and that she was giving him a second chance — the Amazing Spider-Man couple have called it quits once again. According to pals, their rocky relationship quickly unraveled after Andrew, 32, left to film Hacksaw in Australia. "Emma had a bad feeling about them being thousands of miles apart so soon," says a source. And after Andrew attended a Velvet burlesque show at the Sydney Opera House with his pals, Emma, 27, decided to wash her hands of him, once and for all. "She dumped him over the phone," says the friend. "She's packed up all of his things and put them in storage until he gets back." Not that Andrew seems all that heartbroken. A fan saw the actor leaving the Pelicano bar on Oct. 24 with a blonde on his arm. "Emma can't believe she invested so much time and energy in a guy who turned out to be the ultimate jerk," says the source. Hey, Ryan Gosling, that's your cue!

Tony Goldwyn's REAL-LIFE SCANDAL

Is life imitating art for Scandal's Tony
Goldwyn? The 55-year-old actor, who plays philandering President Fitzgerald Grant, was spotted on an intimate dinner date with a mystery woman on Oct. 21 at the Sunset Tower in West Hollywood. "They were deep in conversation, off in their own little world and grinning from ear to ear," an eyewitness tells Star.

The only problem? She wasn't Tony's wife of 28 years, Jane

Gwyneth MEDDLING IN CHRIS' AFFAIRS

Keep your friends close and your ex-husband's new girl even closer! According to sources, Gwyneth Paltrow is "desperate" to meet Chris Martin's new muse, Annabelle Wallis, after the Coldplay frontman, 38, went public with the Peaky Blinders actress in Paris last month. "Gwyneth's been bombarding them with invitations to double date [with boyfriend Brad Falchuk]," a pal tells Star. "But it's way too early. Chris is begging her to back off, but Gwyneth's not giving up. She's

already messaged Annabelle on her own." After all, the Goop guru, 43, argues, if Annabelle, 31, is going to spend time with their kids (Apple, 11, and Moses, 9), then she should get to know her too. However, Chris believes his nosy ex-wife has ulterior motives. "Gwyneth did the same thing with Jennifer [Lawrence]," says the source. "She pushed herself into that relationship as well, and look at how that went. It's no wonder he's gone to such great lengths to keep Gwyneth from scaring Annabelle away." *

daughter, Everly, a little brother or sister, but at a recent event, the couple couldn't seem to agree on when. "Channing joked they should get started that night," a partygoer tells Star. "Jenna just shook her head and rolled her eyes at him." While the actress, 34, is on board with adding to their handsome family, Jenna also just scored a recurring role on the hit TV series Supergirl, putting any plans to get pregnant on hold for now, that is. "They will absolutely have at least one more," says a source close to the actor, 35. "But it's going to be on

Because Ben's constant presence bothered Luciana so much, Matt, 45, took his pal out on the town occasionally which infuriated his wife and led to more fights at home. But the Martian actor believed that reconnecting with Ben whom he's known since high school — was worth the fallout. Luciana, on the other hand, grew increasingly uneasy with Matt and Ben's boozy bonding sessions. "Ben acts like a frat boy around Matt, which she finds obnoxious. And she knows his history as a ladies' man. She was worried his bad influence will rub off on Matt," the source says. "Of course, when she complained, Matt refused to hear a bad word about Ben, and it caused some blowout fights. Luciana felt like her husband was shutting her out, and her trust in him started to plummet."

JEALOUSY ISSUES

This isn't the first time Luciana has questioned her husband's devotion. Insiders say the Argentinian-born beauty — who met Matt while bartending in Miami — has always felt "insecure and lonely" as a noncelebrity spouse in her husband's show-business world. So she tries to keep tabs on him whenever possible. "Luciana won't let Matt go anywhere alone; they're always together," the insider says. "She even went with him on his press tour for *The Martian*. But the constant togetherness has put a lot of stress on them."

Matt is also worried about their daughters, Alexia, 16 (whose biological father is Luciana's first husband), Isabella, 9, Gia, 7, and Stella, 4. "He doesn't want the tensions in their marriage to impact the girls," the source adds. "That's why he thought Luciana should stay home with them, instead of coming on his press tour. They fought about it. He expects her to have some trust in him at this point."

Indeed, Matt has a reputation as one of Hollywood's good guys, and friends insist that Luciana doesn't have anything to worry about when he's out with Ben or away from home. "Matt is 100 percent dedicated to his wife and children," the source says. "He would never do anything to jeopardize their life together."

WILL THEY SPLIT?

While most of their friends believe Matt and Luciana's recent struggles are just a rough patch that they'll work through, others fear his movie-star status and her trust issues could ultimately drive them apart. And a potential divorce could cost

A SECOND WEDDING TO SAVE THEIR MARRIAGE?

Matt and Luciana's first wedding, in December 2005, was an intimate affair at New York City's City Hall. So seven years later, in April 2013, they renewed their vows in a huge, star-studded ceremony on the Caribbean isle of St. Lucia (right). "Matt wasn't enthusiastic about the vow renewal; he thought the big production of it all was tacky and reeked of desperation," a family source says. "But Luciana really wanted to do it, so he ended up giving in and paying for the whole thing — even though everyone knows vow renewals are the kiss of death for marriages."

IS RENEWING YOUR VOWS REALLY A GOOD IDEA? THESE COUPLES DID IT — AND SPLIT SOON AFTER!

KRIS & BRUCE JENNER

The reality TV heavyweights celebrated their 20th anniversary in 2011 with a vow renewal in Bora-Bora (right), attended by their famous offspring. Three years later, they divorced. Since then, Bruce has come out as transgender and is now known as Caitlyn...in case you haven't heard.

MARIAH CAREY & NICK CANNON

First wed in 2008, Mariah and Nick renewed their vows each year in epically over-the-top ceremonies, including a glam affair in Paris in 2012 (left) and a princess-themed extravaganza at Disneyland in 2013. By the end of 2014, however, Nick had filed for divorce.

Matt dearly: With no prenuptial agreement, Luciana stands to walk away with half her husband's \$140 million fortune, on top of child and spousal support. "And friends are whispering that a custody battle could get nasty," the source says.

Still, the pair seem to be taking steps to save their marriage before it's too late.

They recently decided to sell their Pacific Palisades, Calif., mansion to escape the Hollywood scene. "She wanted a fresh start, in a place where she can feel more comfortable, and Matt relented," the insider says. "But Luciana made one thing clear: Wherever they end up moving, she doesn't want Ben coming over all the time!" *

After a low-key vow renewal in Las Vegas in 2008, J.Lo and Marc decided to go big in 2010, when they invited 200 A-listers to a housewarming party, then surprised the guests with a lavish recommitment ceremony. The singers split a year later, after seven years of marriage.

MARINA NOW She Gets Carried Away

Marina seemed thrilled to get a helping hand leaving the scene from the police (above), during a 2013 environmental protest in Sussex, England.

HIS "CRAIG'S LIST"
OF LADIES

ITH his fourth
James Bond
blockbuster,
Spectre, hitting
theaters, it's hard to
believe that **Daniel**

Craig faced ridicule and scorn after it was first announced in 2005 that he'd be the next actor to play the suave and studly secret agent. But one woman found out firsthand, and nearly 20 years before the fact, that he had the sex appeal to fill that iconic role.

"Daniel was an animal in bed," says **Marina Pepper**, who was a 20-year-old topless model and *Playboy* Playmate when she began a wild, six-month love affair in London in the

late '80s with the aspiring actor — when he was just 18! "I've gone seven times a night with [Daniel]. He was irresistible — and incredible in the bedroom."

LUST AT FIRST SIGHT

Born in the English city of Chester, Daniel had moved to London to attend the National Youth Theatre. One evening, he was having a drink with classmates in a Notting Hill pub when he crossed paths with gorgeous Marina, who had already found fame as a topless Page 3 girl in a local newspaper, and would soon appear as the March 1987 centerfold in *Playboy*.

"I was meeting friends who belonged to the theater in the bar—and Daniel happened to be with them," Marina recalls. "He was a little younger than me, but I was instantly struck by his great body and piercing blue eyes. Those eyes seemed to look right through you and gave him an incredibly sexy presence." After spending the evening talking at the bar, their

chemistry was so strong that Marina invited Daniel back to her nearby apartment—where they immediately jumped into bed for some torrid lovemaking. Within two weeks, he had moved in!

"He had a very healthy sexual appetite, and we didn't get much sleep when we were in bed together — which was a lot of the time," says Marina, who adds that Daniel "was also very sensitive to a woman's body. He's definitely a boobs man too." And when he wasn't feasting his eyes on Marina's curves, she says, Daniel was admiring his own physiology. "He used to spend ages in the bathroom in front of the mirror," she recalls. "I soon realized his sexy, ruffled look was actually the result of a lot of care and attention. My moisturizer started disappearing, and he wouldn't shave for days to get that rough image."

TRUST ISSUES

As their relationship neared the half-year mark, Daniel, 47 — who has called commitment "the toughest part" of life — began staying out all night, sometimes not returning to their apartment for days. "I suspect I wasn't the only girl in his life," says Marina, "but then he'd come back, and his charm would win me over again." That charm went only so far, and Marina finally asked Daniel to move out after one heated argument. "I realized I wanted more than fantastic sex every night," she says.

Down the road, glamour gal Marina radically changed gears and became a politician, author and environmental activist as well as a mom of two. And when she bumped into Daniel on the street in London years after their breakup, she says her first thought was obvious: "He still looked as sexy as ever!" *

Daniel and the Scottish singer and actress were married in 1992 but split two years later (they have a daughter, Ella, 22). "I was too young," Daniel says of their nuptials.

He spent seven years with the German actress — who was said to be "furious" after their 2004 split over rumors that he'd secretly begun seeing supermodel Kate Moss.

After working together in 2003 on the movie Layer Cake, Daniel and Sienna reportedly had a fling two years later — while she was dating his pal, Jude Law. Both of them denied it.

Daniel became engaged to the Hollywood producer during their six-year romance, but they broke up in late 2010 — a month before he was seen publicly with Rachel Weisz.

They wed in June 2011, after first being spotted together the previous Christmas. She had split earlier from her boyfriend of nine years, director Darren Aronofsky.

LEAH REMINI MAKES THE SHOCKING CLAIM THAT KATIE HOLMES WAS SECRETLY A TRUE BELIEVER IN THE RELIGION — AND THAT KATIE RATTED HER OUT.

HEN Katie Holmes
filed for divorce from
Tom Cruise in 2012,
she left more than her
marriage — she also
escaped Scientology, rescuing daughter
Suri in the process. Or so she would like
the world to believe! But now King of
Queens star Leah Remini — who left the
church in 2013 — claims Katie had been a
devout follower, rather than a dupe, of the
controversial religion.

Leah, 45, a member of the church from the age of 9, enjoyed all the status a celebrity of her stature is awarded in Scientology — until Katie and Tom's 2006 wedding in Italy. According to a source, Leah arrived late, objected to the seating arrangements (she'd hoped to sit

beside fellow guest **Jennifer Lopez**) and, most egregious of all, inquired as to the whereabouts of **Shelly Miscavige**, wife of Scientology leader **David Miscavige**. (Leah later filed a missing persons report with the LAPD.) Katie was reportedly infuriated by Leah's behavior at the affair. But now Leah is speaking out about the incident — and Katie's harsh response — in her new memoir, *Troublemaker:* Surviving Hollywood and Scientology.

POISON PEN

Shortly after the affair, Katie authored a "Knowledge Report" in which, writes Leah, "she referred to my behavior during the wedding weekend as 'very upsetting,' and accused me of disrupting the party, which she claimed was a 'poor example to others.' She went on to say, '[Leah] made the party all about her,' and concluded the report with reference to the fact that all of this so-called bad behavior 'disturbed me greatly.'" Reportedly, Leah was soon forced to undergo a series of inquisitions and behavior modification sessions — and was then charged \$300,000 for them.

Katie, 36, released a statement on Oct. 30, saying: "I regret having upset Leah in the past and wish her only the best in the furture." But an insider tells *Star*, "What happened to Leah was punishment, pure and simple — and it resulted directly from Katie's actions. Leah found out the hard way that Katie was never the innocent Scientology victim everyone thinks she was." ★

Halle's

THE THIRD TIME WASN'T THE CHARM FOR HALLE BERRY — HER LATEST MARRAIGE, TO OLIVIER MARTINEZ, IS ENDING IN DIVORCE.

"forgot" about her upcoming two-year wedding anniversary to Olivier Martinez during a live television interview in July, fans knew there was trouble in paradise. "Thank you for reminding me," she stuttered when asked how she planned to celebrate the occasion. "I gotta get something fast!" Turns out, that "thing" was a divorce.

On Oct. 27, the A-list couple announced their plans to legally separate, citing irreconcilable differences. Despite their public proclamation to "move forward with love and respect for one another," sources say the split has been far from amicable — a likely testament to their volatile 27-month relationship.

After meeting on the set of *Dark Tide* in 2010, Halle — who famously said she'd "never, never get married again" — fell head over heels for the French film star, and began calling him "the one" shortly thereafter. In 2013, the duo exchanged vows during an intimate ceremony at a château in France while Halle was pregnant with their now 2-year-old son, Maceo.

But it seems the honeymoon was short-lived. "They fought constantly," an insider tells *Star*. "Olivier has never been able to control his temper. He lashes out at every opportunity. One minute he'll be sweet as pie, then the next he'll be spitting and fighting."

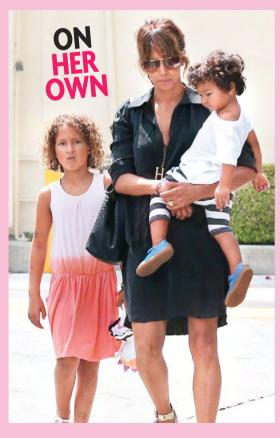

In 2012, the 49-year-old actor was charged with battery following a bloody altercation with Halle's ex-boyfriend (and father of her 7-year-old daughter, Nahla) **Gabriel Aubry** on the steps of her Los Angeles home over custody arrangements. He's also currently in the middle of a \$5 million lawsuit for shoving an empty car seat at an airport employee. "He definitely has anger management

issues," dishes the pal. "Living under constant media scrutiny in L.A. only made them worse."

THE BREAKING POINT

In a last-ditch attempt to save their failing marriage, the pair made plans to move to France but were forced to remain in the United States after a judge ruled that relocating would make it difficult for Nahla to see her father on a regular basis. Angered by the court's decision, sources say Halle's hotheadedness soared to new levels, rendering her "nearly impossible to live with." In late 2014, the Extant star made headlines for her outlandish antics when she sued Gabriel for straightening and highlighting their daughter's naturally curly hair in an alleged attempt to make the child appear white. "She craves drama and is incredibly high-maintenance, possessive and vindictive," adds the insider. "But the constant arguing between Halle and Gabriel was destroying her marriage to Olivier — and creating a bad atmosphere for the kids."

In fact, Halle's temper and inability to let things go may be the culprit behind her two previous failed marriages — the first to baseball player **David Justice** from 1993 to 1997 and the second to singer **Eric Benét** from 2001 to 2005. "It's as though she has no idea of how a relationship should really work," explains the source. "It's very revealing that Halle has never left a relationship on a good note. She would do well to seek therapy for her own issues before she even considers embarking on another relationship with anyone else." *

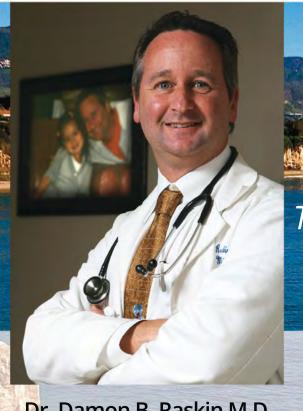

Newly Single Mama

According to sources, Halle is not seeking joint or primary custody of 2-year-old Maceo but rather, what's in "the best interests of the child."

An LAX employee is currently suing Olivier for \$5 million for allegedly knocking him to the ground with an empty car seat in January 2015. The lawsuit is also seeking compensation from Halle, claiming that she "did nothing to stop the attack."

Super Slimmers That Really Work!!!

Reshape your entire body in 30 days?

If you haven't heard about Vysera®-CLS yet... you definitely will... and very, very soon. Why? Because as incredible as it sounds, groundbreaking research has just identified a compound that can not only help you lose weight, but can actually reshape your entire body, reducing waist size,

hip size, thigh and buttock circumference, belly bulge,

and... last but not least... cause a significant loss of actual fat mass from all over your body. Has the "miracle pill" finally arrived? As one article said, taking Vysera is sort of like "eating a whole donut and only absorbing a fraction of the calories." How's that for amazing? (Of course, we don't advocate eating a donut as a meal, and this example is used for illustrative purposes only.) Vysera-cls

BiphedAdrene® is quickly making a name for itself in the "Super Pill" category because of its supercharged dual approach to weight loss: it's comprised of a unique Complex Phenylethylamine Provisional (for powerful appetite control, mood-elevation, and sustained energy) combined with an Aggressive Thermogenic Compound (for fat burning and stamina). This two-pronged attack on fat is apparently what makes the compound so effective... and so popular. And it doesn't just help provide very substantial weight loss... it also adds a mood and energy boost. BiphedAdrene is available at smarter retailers nationwide, direct from the manufacturer at Biphed.com or call 1-800-698-8994. Use promo code BIPHED127 and get free shipping.† However, we emphasize that this high-energy product is not for everyone because it is extremely potent and contains powerful xanthine (stimulant) compounds. Nevertheless, if "ordinary" diet pills aren't doing the job, BiphedAdrene could most certainly be your best bet!

"Combo-Pilling"

America's Hottest Weight-Loss Craze

Ever wonder how some people manage to get so thin... so fast? It could be "Combo Pilling"... the über-trendy, "underground" practice of combining two or more diet pills to create "supercharged" weight loss. Our favorite diet pill combination is Zantrex®-3 (the high energy fat burner) and Relacore® Extra (the calming, feel good, "belly fat"

both of them are incredible... but together, oh my goodness! Available at Walmart, Walgreens, CVS, RiteAid, and smarter retailers nationwide, you can order both at TryComboPilling.com or call 1-800-376-3241 (use promo code COMBOPILL82 and get free shipping!†).

What Is Combo-Pilling?

The highly controversial practice of Combo-Pilling is truly an underground phenomenon. Odds are, if you know someone who's losing lots of weight, and losing it fast, you probably know someone who's Combo-Pilling... Why? Because it allows people to attack multiple facets of weight loss — like dropping fat, overcoming stress eating, and having enough energy to work out — at the same time.

They say it's the best-tasting, easiest and most delicious way to lose weight, burn fat, increase energy, heighten focus, boost mood and much, much

more. No wonder you see so many celebs using it! Zantrex SkinnyStix are available in three super-refreshing flavors: Berry Fusion,

StarENTERTAIN

Burnt

Stars Bradley Cooper, Sienna Miller, Daniel Brühl

Story In this mouthwatering tale, badboy chef Adam Jones (Cooper) was a rising culinary star in Paris before out-of-control drinking and drug use destroyed his career and tarnished the reputations of his associates. Now it's three years later and, somewhat chastened, he wants to rise from the ashes and earn his third Michelin star with a new restaurant in London. But first he needs his former colleagues to trust him, which is no small feat. And despite his desperation, he remains a tyrant in the kitchen — but also a genius. Meanwhile, just watching Cooper prepare delicious dishes (chef Mario Batali supervised) will leave you drooling. Cooper brings a sharp-tongued energy to Jones, while Brühl shines as his frenemy/partner, and Miller is tangy as a tough sous chef who learns to appreciate Jones' hard-charging style.

Verdict Deliciously tasty, it's one of the year's best.

Brooklyn

Stars Saoirse Ronan, **Emory Cohen, Julie Walters**

Story This funny, touching romantic drama stars Ronan as Eilis, a young woman in postwar 1950s Ireland. She moves to New York City to find a future — and discovers

herself. But the pull of home is strong; just as she meets a boy (Cohen), falls in love and marries him in Brooklyn, she must return to Ireland for a funeral and finds herself pressured to stay. Working from Colm Tóibín's bestselling novel, it's a subtly seductive tale, built around Eilis' emotional journey to find herself. Ronan has a surprisingly hearty quality that undercuts her delicate beauty — and she knows her way around a funny line.

Verdict A thoughtful date movie.

Stars Michael Keaton. Mark Ruffalo. Rachel McAdams. **Liev Schreiber**

Story An incredible ensemble cast teams up for what may be the

year's finest film. Based on a true story about the investigative team at the Boston Globe, it's

2001 and a new editor at the paper (Schreiber) tasks them with looking into pedophilia in the Catholic Church. They discover a cover-up, with church officials shuffling bad priests from parish to parish. But can they find enough evidence to tell the whole story in print? The drama superbly fits all the players (which also include John Slattery, Stanley Tucci and Billy **Crudup**), capturing both the drive to nail the facts and the wall of silence that the Boston Archdiocese creates. It's a great journalistic whodunit on par with All the President's Men.

Verdict A definite Oscar contender.

It's an alternate time line, and **Arnold** Schwarzenegger is back as a cyborg who helps **Emilia Clarke** kick

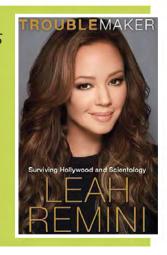

futuristic butt in the Blu-ray release of Terminator Genisys.

Did Oprah abandon her long-lost "son"?

After **Oprah Winfrey** was "ambushed" by her so-called secret son, Calvin Mitchell, following a taping of *The Late Show with Stephen Colbert* earlier this month in New York City, the talk show titan decided to set the record straight. Back in the early '90s, after meeting Calvin, now 35, on the set of *There Are No Children Here*, Oprah tried to help the boy get out of the projects: securing housing for his family, procuring employment for his mother and enrolling him at a local private high school. However, once Calvin was expelled and then later dropped out of a boarding school he was sent to, Oprah realized, "There is nothing else I can do," and cut ties with him altogether. *

Who is Leonardo DiCaprio's dashing doppelgänger?

Talk about hitting the genetic jackpot! Meet **Konrad Annerud**, a 21-year-old Swedish model whose Leo-esque looks have us thinking that maybe, just maybe, our hearts will go on after all. "It can become quite annoying sometimes when people call me Leo instead of my real name," Konrad told Swedish website Nyheter. "I get to hear that I look like him quite often, especially since I work as a bartender in a nightclub. But it's fun to look like him, I mean, he's handsome." And with more than 58,000 Instagram followers, Konrad says he has a habit of getting mobbed by packs of screaming girls while traveling abroad. So how does the handsome hunk handle the burden of baring such an uncanny resemblance to *Titanic* heartthrob Jack Dawson? "When I was in Italy this summer, I almost felt like shaving my hair off," he confessed. "It was very chaotic; people wanted to take photos with me all the time." Surely there are worse things, Konrad. ★
